RESPONSE TO NOTIFICATION TO COMPLY WITH REQUIREMENTS FOR PATENT
APPLICATIONS CONTAINING NUCLEOTIDE AND/OR AMINO ACID SEQUENCE
DISCLOSURES

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the referenced notification dated September 25, 2006 and in accordance with 37 C.F.R. §1.821(e), Applicants hereby state that the computer readable form of the sequence listing for the present application is to be identical with the computer readable form of the sequence listing for U.S. Provisional Appln. No. 60/496,449 filed August 20, 2003, for which the present application claims priority. Applicants hereby request that the computer readable form of the sequence listing for U.S. Provisional Appln. No. 60/496,449 that is already on file be used as the computer readable form of the sequence listing for the present application.

Statement of Identity in accordance with 37 C.F.R. § 1.821(f):

James Scott Elmer, undersigned attorney of record, hereby states that the content of the five page paper copy of the sequence listing included as part of the national phase entry submission for the present application on February 14, 2006 in accordance with 37 C.F.R. §1.821(c), and the computer readable copy of the sequence listing originally submitted for U.S. Provisional Appln. No. 60/496,449 and adopted as the computer readable copy of the sequence listing for the present application in accordance with 37 CFR § 1.821(e), are the same.

Having complied with the referenced notification with respect to the requirement for a paper and computer readable copy of the sequence listing and a statement of identity in accordance with 37 C.F.R. §§1.821-1.825, Applicants respectfully submit that the present application is now in condition for examination. No fee is believed to be required for consideration of this submission. If applicants are incorrect and a fee is required the Commissioner is hereby authorized to charge such fee to Deposit Account No. 501968.

Respectfully submitted,

James Scott Elmer
